BCHPAYZ
& MERCHANT

USER MANUAL

1.1 WEB WALLET

- I. To access BCHPAYZ website, go to <https://.....> then go to the wallet and click web under MT PAY as shown in the fig.(a) or you can directly go to the link <https://.....> to access cc web wallet

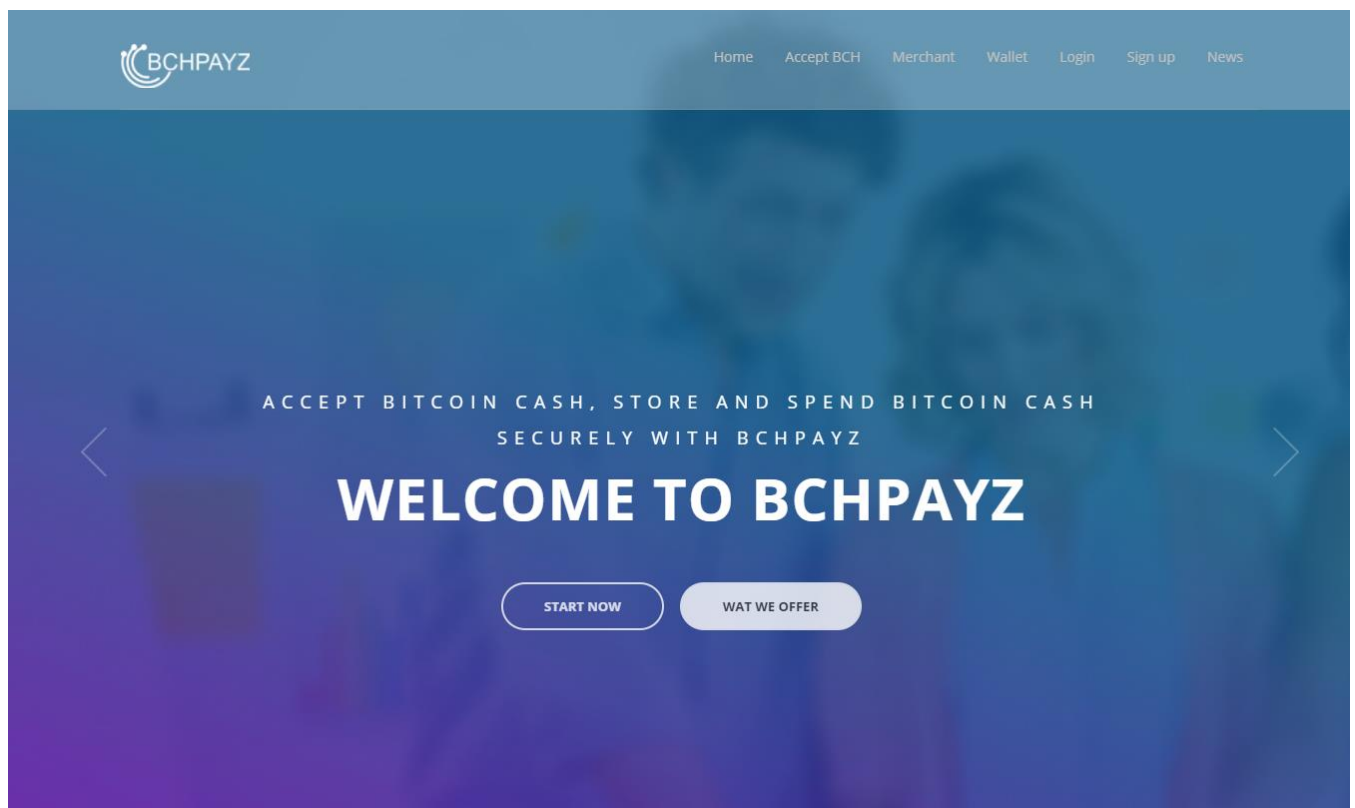

Fig.(a)

II. A Login page will appear with the following fields as shown in the

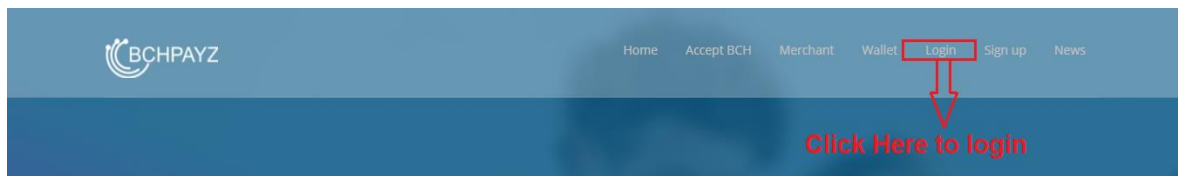

fig.(b)

Email ID: Enter your Registered Email address into the Email Address textbox.

Password: Enter your Secret Password into the Password textbox.

Sign In: Click Sign In Button to successfully access the wallet

A screenshot of the BCHPAYZ login form. The form is titled "Enter Your Registered E-mail ID" and "Login Merchant". It contains two input fields: "Email ID" with the example "example@bchpayz.com" and "Password" with masked characters. Below the password field is a "Sign In" button. To the left of the button is a link "Register a new Merchant" and to the right is a link "Forget Password". Red arrows and numbers 1 through 5 indicate the sequence of steps: 1 points to the Email ID field, 2 points to the Password field, 3 points to the Sign In button, 4 points to the Register a new Merchant link, and 5 points to the Forget Password link. Additional text includes "Enter Your Password" next to the password field, "Click Sign In Button" next to the Sign In button, "For Sign Up New Merchant Account" below the Register a new Merchant link, and "In Case Of Forget Password" below the Forget Password link.

Fig.(c)

III. Sign Up
